AMENDED IN ASSEMBLY MARCH 29, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 508

Introduced by Assembly Member Swanson

February 20, 2007

An act-relating to juveniles to amend Section 18901.3 of the Welfare and Institutions Code, relating to food stamps.

LEGISLATIVE COUNSEL'S DIGEST

AB 508, as amended, Swanson. Juvenile crime: alternatives to incarceration. Food stamps: eligibility: drug felonies.

Existing law provides for the Food Stamp Program, under which food stamps allocated to the state by the federal government are distributed to eligible individuals by each county. Existing law provides that a person convicted of a drug-related felony, with certain exceptions, is eligible for aid under the Food Stamp Program, if specified requirements are met.

This bill would, instead, provide that a person convicted of any drug felony shall be eligible for aid under the Food Stamp Program, and would eliminate the above-referenced eligibility requirements.

By changing the eligibility standards under the Food Stamp Program, this bill would increase the responsibilities of counties in the administration of the program, thereby imposing a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

 $AB 508 \qquad \qquad -2 -$

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Existing law provides that a minor under the jurisdiction of the juvenile court as a consequence of delinquent conduct shall, in conformity with the interests of public safety and protection, receive eare, treatment, and guidance that is consistent with his or her best interest, that holds the minor accountable for his or her behavior, and that is appropriate for his or her circumstances. This guidance may include punishment that is consistent with the rehabilitative objectives of juvenile court law.

This bill would declare the intent of the Legislature to enact legislation implementing specified juvenile and criminal justice recommendations.

Vote: majority. Appropriation: no. Fiscal committee: no-yes. State-mandated local program: no-yes.
